

IW T3Y 200

Product sheet

MADE IN
FRANCE

Woofers IW T3Y 200 have been designed for drivers who want to replace their factory audio system with a high-quality solution by Focal that is fully compatible with the relevant Tesla models. Equipped with the Flax® cone, an exclusive Focal technology, they significantly improve the in-car listening experience. Designed and manufactured in France, the Tesla-compatible Focal Inside range allows an à la carte/personalised audio system configuration.

Key points

- Developed and manufactured in France
- High-fidelity sound
- Compatible with Model 3 and Model Y
- Quick and easy to install with no modifications to the vehicle required
- Perfect integration into the cabin
- Installation tutorial video available on focal-inside.com and [youtube.com](https://www.youtube.com)
